

## 01

### RAISE OUR VOICE

- **3,317 young people** living with HIV, young key populations, and AGYW trained on advocacy.
- Launched **We Matter, Value Us**, a guideline. A guideline for all organizations working with young people living with HIV including donors, international agencies, NGO's, government departments, implementing, advocacy and media organizations.
- **20 podcasts** on self-care, mental health, young key populations, criminalisation, leadership of adolescent girls and young women, capacity building among others produced and distributed.
- Advocated for the inclusion of young key populations programming in **WHO consolidated guidelines** on HIV, hepatitis and STI prevention, diagnosis, treatment and care for key populations.
- **Raised visibility of young people and young people from key population issues**, e.g, at World Health Assembly, Dutch parliament and Sexual Violence Research Initiative's 7th global conference on violence against women and violence against children.
- **Supported 84 AGYW** to participate in the Country Coordination Mechanism.
- Developed the **outcome statement** as a result of the African regional consultation with young people in all our diversity, as an alternative to the high rejection of visas for AIDS2022.
- The regional outcome statement contributed heavily to the development of the AIDS2022 Montreal **youth declaration**.

## 02

### BUILD OUR NETWORK

- **Provided financial support to 113 implementing partners from 41 countries** around the world reaching **146,985 young people physically and 896,242 online**.
- Strengthened operational capacity of **50 youth-led networks** and youth-serving organizations.
- Expanded our programmes in Indonesia and Kyrgyzstan.
- Supported the development of **instruction manuals** for Latin America region networks to achieve legal status, including best practices and lessons learned about the registration and transition process.

## 03

### SECURE OUR FUTURE

- Developed and launched the **Y+ Global strategy 2022 - 2025**.
- First audited narrative and financial report published.
- Established new and maintained strategic collaborations with **14 regional and international funding partners**.
- **Approval of the ANBI status** - a non-profit tax designation in the Netherlands, this will help Y+ Global to fundraise in the Netherlands.
- **Opened an account with Standard Bank South Africa** and SARS tax registration.
- Launched the **READY Academy residential programme** and provided seed grant to **6 young people** to implement their advocacy proposal in a specific country.

### EMERGENCY RESPONSE

#### COVID-19

- Provided hygiene and food packs, and transport fares to health facilities for HIV, SRH, and GBV services uptake to **11 countries**.
- Supported **11 young people** living with HIV and young people from key populations to acquire vocational training, skills development courses and starter packs.

#### CONFLICT

- Facilitated for Ukraine networks of PLHIV to provide access to HIV treatment and food security to **1,229 PLHIV**, and commodities for infants.
